Dear Mark

At the VSP Committee meeting 1 February 05 we have confirmed that

1. Sax shocks eligible with immediate effect
2. Sax shocks compulsory from January 2006
3. Sax shocks are the only approved replacement units for 2005
4. And to place an order for 10 x sets Sax shocks – this order supersedes any other orders plac

The association will be responsible for payment and recover cost from drivers. As required during the year a further order of 10 sets will be placed by the association.

Kind Regards
