Notes:

- The events for the season are divided into two types - sprints and enduro's. A sprint event consists of two heats of short duration - 10 to 15 laps each. An enduro event is a single race of 1 to 2 hours duration.
- Points are awarded on the following basis to official finishers for each heat of a sprint race:

Posn	Points	Posn	Points	Posn	Points
1st	20	6th	10	11th	5
2nd	17	7th	9	12th	4
3rd	15	8th	8	13th	3
4th	13	9th	7	14th	2
5th	11	10th	6	15th	1

- Points for an enduro race are doubled. A Co-driver in an enduro are entitled to the same points as earned by the entrant driver that he is sharing with.
- Entrants who qualify at away races (Phakisa, Cape Town, Port Elizabeth and East London) are awarded an additional 10 points each.
- One point each is awarded at an event for the driver who qualifies on pole position, and the driver who does the fastest lap during the event.
- In order to have points awarded, all drivers, including co-drivers, must be members of the VSP Racing Association
- In addition to the National Overall champion at the end of the season, the Association will award internal championships in the Sprint, Enduro and Veteran categories. Veterans are drivers over a certain age, and are distinguished by their names and numbers on their cars being green on white.
